Pizza the action

My wife Davina loves fucking in public. She never misses a chance to make me jizz in a restaurant so I had high hopes when we went to our local pizzeria. She was horny even before the garlic bread turned up. She started getting frisky after a glass of wine.

She slipped her shoe off and I felt her naked hot foot fondling my crotch. I got hard fast and in a few moments she was wanking off my rigid prick between her toes till I almost came!

After we had finished our main course, she came and sat next to me.

We snuggled up innocently but under the tablecloth, Davina undid my flies and

began to slowly massage my aching prick.

Just as I was wondering where the hell I was going to cum, Davina pretended to drop her knife and enveloped my engorged cock in her mouth.

She shut her lips around my stiffy and started sucking me off. I was sure people knew what was going on but I was nearly there and wasn't going to tell her to stop now.

I blew my load almost immediately. The slurping and swallowing sounds felt really loud as dirty Davina guzzled my cum down.

After that we ignored the stares, paid the bill and went home to finish my wife off properly.

Steve, Suffolk.

Italian Job

Last year, after university, and looking to sow some oats before settling down, I went inter-railing around Europe.

Travelling overnight on a train between Bari and Brindisi, on my way to catch

a ferry to Corfu, I was aware how much more forward Italian men were than British ones. A good-looking guard showed me to my compartment and winked at me as he shut the door behind.

It was nice to get some attention and it put me in a horny mood. I fancied a drink, so I sorted out a sexy little outfit to wear to the bar.

I undressed and stood in front of the mirror, having a good look at myself. If the young guard had found me attractive then maybe I could have some fun on this train.

While I was thinking this, my hands were slowly caressing my tits. I put on a skimpy blouse, a skin-tight skirt and no underwear.

Afterwards Tony suggested we go back to his compartment, as he had some nice French wine there. It was a tight squeeze but I wasn't complaining. I had four

next guy, and so on until I'd sucked them all off. Then I lay on my back and told them to cum on my tits.

I had cum all over my tits, hair and face after they'd showered me. Then I stood up and asked them to fuck me one at a time up against the compartment door.

I ASKED THEM TO FUCK ME ONE AT A TIME UP AGAINST THE DOOR

As he felt my tits one of the others said, "Go on Tony, she wants your cock!" Then I turned round and said, "I want all of your cocks!"

With that I had four naked blokes in front me, all sporting hard-ons. I began with Tony, kneeling in front of him and taking his cock in my mouth.

I sucked him for a while before moving on to the

They fucked me for two hours. It was wild – they grabbed and pawed at me like animals. I felt like a piece of meat being devoured.

Finally we'd all cum so much that we couldn't cum any more. Spunk was running out of my pussy like a river.

That night I replayed the sex over and over in my head. What an incredible journey!

Megan, Surrey.

I decided I was going to find myself a damn good fucking.

I was hoping to see the guard. I imagined him bending me over the bunk and fucking me until his cum dribbled down my thighs.

I wanted to suck his cock till he came all over my tits, then lick my nipples and his bell-end clean.

I went to the bar and ordered a brandy and coke. I scanned the room and saw it was mostly full of men – how lucky I was!

The guy next to me heard my English accent and asked me to join him and his friends. He was a good looking, well-built bloke called Tony, and I accepted his offer.

He introduced me to his friends and we all had a drink and a laugh before going to the dining carriage. We had a great meal and more drink

TRUE BLUE

Real stories from the secret world of UK sex. Paul and Flirt are the directors of Xtasia, one of the largest swinging clubs in the UK. Surrounded by sex and rampant hedonism all night, can there be a downside?

It's getting on for 1am and the evening is in full swing. All around us, as Flirt and I stand by the bar, there are couples chatting, kissing and fucking on sofas, getting off to the action taking place on the big cinema screen. The orgy about to unfold has been spurred on by the live feed from our camera room. Pictures of one hot woman lying back on the big bed in the room below, pleasuring herself and the anonymous cocks that keep popping through the glory holes is certainly getting the audience's pulses racing.

Taking in the scene, I spot the woman's other half. At the front of the audience with his eyes glued to the screen, it's easy to tell how much he's enjoying seeing his partner pleasure her pussy and all of the cocks that are offered to her. Just eight months after taking over Xtasia it's such a relief to see it getting off to a good start. Singles, couples, young and old swingers are indulging in all the pleasures our hedonistic theatre has to offer.

Flirt and I purchased Xtasia back in June 2012. Having been interested in the swinging scene for most of our adult lives and hosting a small-scale monthly swing event at a hotel in Blackpool, we came to the conclusion that doing it on a bigger scale was definitely the way forward. We are now the proud owners of one of the longest established swingers clubs in the UK. Xtasia, located in West Bromwich in the Midlands.

Having visited in its heyday 15 years ago, we had fond memories of the big parties that used to take place here. Being one of only two swingers' clubs in the Midlands and easily the largest with a capacity of 600, it was difficult to get a space on the loungers as naked bodies writhed together. If you managed to find a space it wouldn't be long before people started to climb over the sofas eager to join in. The massive orgies that took place were beautiful, sexy and safe. Now we'd taken over and the pressure was on to carve out the club's future.

The camera room was just one of the ideas we dreamt up to push people's boundaries and hopefully

"She pleasures herself and the anonymous cocks popping through the glory holes"

play on their fantasies. Introducing a grope box (a personal favourite of mine and Flirt's), a fully lockable closed-off room, rooms with one-way mirrors and a shadow room that shows silhouetted bodies, we've created a corridor of debauchery that becomes more and risqué the further you travel down it. There's something to suit whatever your confidence level or preference. The glory hole camera room is the final door – the most daring, but definitely the most fun! Call it the last taboo in swinging.

The biggest perk for Flirt and me is the social side. Usually, the majority of our evening will involve playing the hosts, introducing couples and making sure everyone enjoys themselves and are not just standing in doorways looking lost.

Avoiding silly games like 'lick the nipple of the third person to the right', we prefer people to chat, talk to each other and it hopefully leads to an invitation for more. After all, that's what we're all here for! If you think someone's hot, go and strike up a conversation with them.

The clientèle ranges from single men and women to couples that have been swinging for years and those that are only just dipping their toes into the scene. With the age ranging from 18 all the way up to 70, swinging really is for everyone.

You know it's been a good evening or event when guest after guest leaves and thanks you for an amazing, sexually liberated and fun night! A job well done in my opinion.

We still have loads of plans. We're building a dogging area. Carting cars, public benches and even trees up to our converted loft we're recreating a fantasy scene that a lot of swingers enjoy indulging in, only ours is safe and secure and you're not going to get arrested! Imagine sitting on one of the benches when a hot couple come along, flash the headlights of the car and a guy starts fucking his girl on the bonnet while you're invited to watch or even join in.

Is there a downside to the job? None that we've come across!

REAL WIFE SEX

Gill finds herself in heaven when her boyfriend insists she wears a pussy plug for his enjoyment...

Gill,
London

NIRVANA,

Six years now I've been living with Billy. I've seen friends' relationships come and go during that time, and all our mates ask us how we still keep the spark that we have between us.

I tell them that it's the fact that we still love to fuck that keeps us together. It's not like we're screwing each other's brains out every night, like we did when we first met, but we both make an effort to keep things fresh – Billy still treats me like I'm sex on legs. He's got this morning ritual where neither of us can go to work unless he's given me a kiss on my pussy. That's with or without his tongue, depending on how late we're running!

The other morning I was doing my make-up in the bathroom when he called me into the bedroom. We had a good half-hour before we even had to think of leaving. He lifted my skirt up and pulled my knickers to one side, then parted my labia, exposing the bud of my clit. He flicked just the tip of his tongue against it, until he'd got a moan out of me.

Then he swivelled me round so my arse was in his face. "Bend over," he told me. I did as I was told, feeling my cheeks split apart, my labia peeking out between them. Now he tongue-reamed my slit, licking me with the entire length of it, right down to the root. Then I felt something smooth and hard bumping up

against my opening. His cock was my first thought, but I wasn't sure. "What the fuck...?" I said, and he shoved his hand through the gap between my legs to show me.

It was a big, black butt-plug. Not a natural cock shape, but thick-shafted with a bulbous head. The bottom of it flared out, so once it was inserted it would stay in place. I almost told him that there was no way he was sticking that up my arse, but that would just have given him ideas! Anyway, he'd only been playing with my cunt up to now and, sure enough, it was that wet and sloppy hole he shoved it up.

I was right – the design of it kept it

PLUGGED

in a very specific position. Billy told me to come and join him on the bed and

**He tongue-reamed
my slit then
plugged my hole**

I sat down – very cautiously. It wasn't uncomfortable, even when I wriggled around, but there was no way I could ignore the solid weight of it, and the girth holding me wide open. Then Billy told me with a grin that he wanted me to wear it all day, until I got home from work. I knew

better than to tell him he had to be joking.

The journey in to work nearly did for me. I was sat on the bus, squirming in my seat, every bump, corner or vibration juddering up my hole. I staggered to my desk, trying to avoid any kind of contact with my colleagues, little twinges of pleasure shooting through me, usually at the worst possible moments.

Around lunchtime, Billy rang and told me to go into the ladies. He wanted to hear me bring myself off. Sometimes I'm just too fucking obliging! I straddled the loo, although I clenched my muscles tight around my pussy plug, just in case it worked its way out. Then I started rubbing my clit. Billy knows very

well that I always cum my hardest with a full pussy, and I'd hardly started diddling away before I was going into spasm. I slapped my hand over my hole, again scared I'd force the toy out, but it stayed where it was, holding me open and stretching out my orgasm too.

I begged Billy to come and give me a lift home – another bus journey would finish me off, and that wouldn't do him any favours. He agreed, but I had to prove I wasn't wearing any knickers before he let me in the car. I flashed a bit of arse and pussy, lightning fast, then sat,

JAYE + APRIL

TWO INTO ONE!

For the man who can't make his mind up if he likes whippet-thin blondes or curvaceous redheads, April and Jaye provide a sexy solution. Unfortunately this man is April's boyfriend, who currently enjoys himself a bit too much every Saturday afternoon with these two (he's not a football fan). "He fucks us both and we share his spunk!" proclaims April.

JAYE + APRIL

Sigh — it's wash day round at Tiffany's. "Isn't spunk hard to get out?" she moans. Not really — we've always found it pretty painless. "I mean cleaning it off my clothes you prick! I'm pretty abandoned in the bedroom and that means mess. I had a bukkake party in my bedroom a few nights ago. I love taking five or six creamy loads all over my face but I'm always stuck with the tidying up. At least I can sit on the washing machine while it's on spin!"

My husband and I booked a long weekend at the Travelodge in Scarborough and were delighted to find we had been given a room with a sea view and directly opposite the Grand Hotel.

several people in the hotel were also watching us with interest. I was so excited that after only a few snaps, I was begging Phil to fuck me. He pushed me up against the wall next to the window and shagged me stood up right in full view and I came within seconds and Phil was not far behind and then we just collapsed in a heap on the floor.

That night we planned to do more pics once it got dark and leave the curtains open with all the lights on. First we went across to the Grand Hotel for a few drinks.

I was wearing my lace top, stockings and suspenders underneath a thin cotton mini-dress which rode up to expose

my stocking tops when I crossed my legs.

Phil was at the bar when

beat when we saw the big windows and no blinds. I couldn't wait to get into my gear and do a shoot.

After we'd unpacked, I went into the bathroom to get ready while Phil set up the camera. I was shaking with excitement as I walked into the room in just my T-shirt, stockings and suspenders.

Phil got me to lie on the bed first and start posing. Soon I noticed a guy looking in from the hotel opposite peering over at us. Phil said that we would do some horny poses in front of the window: of course I was really up for it.

I realised with a thrill that anyone in the street could see. And I noticed that

I noticed two guys staring at me. One of them waved and I realised it was the guy in the room opposite who had seen our photo shoot. When Phil came back with the drinks I told him and he said let's invite them over. I replied why not as they were both good-looking and had fit bodies. The guys were very complimentary and had been very turned on by what they had witnessed, so we asked them if they wanted a repeat performance to which they readily agreed.

So we went back to our hotel while they went to their room and as soon

as we saw that they were at the window,

I did a slow strip and posed seductively on the bed.

I was so turned on and said to Phil that I wanted a good fucking. To which he replied: "Why don't you fuck those two?" "Oh, yes please," I replied and Phil

waved the two guys over and went down to reception to bring them up. I played with my clit while I was waiting and my love juices were flowing as the guys came into the room.

Phil got between my legs and started to suck my pussy, while Dave and Tony stripped off. When I saw their lovely cocks I came hard on Phil's tongue.

Next they got me on all fours and Dave pushed his big cock slowly up my fanny as Tony put his cock into my willing mouth and they both started to fuck me slowly. Phil got his camera out and started to take pictures of me being spit-roasted.

The sensations were fantastic and before long I was screaming in ecstasy as multiple orgasms flooded my entire body.

It was too much for Dave who suddenly erupted inside me and flooded my pussy with his warm cum. Tony pulled his cock out of my mouth and shot his spunk all over my face and all the time Phil was snapping away with the camera.

While the guys were cleaning up, Phil went down on me and licked my cunt clean of Dave's spunk before shagging me himself and making me cum several more times. I shagged Dave and Tony several more times that

weekend, but the first time was definitely the best. What a great stay in Brighton!

SEX WITH ALL THE STRINGS

Why sex in a relationship is just as horny as no-strings bonking, says new columnist Daisy Blade

I wasn't always an attached and respectful girlfriend like am today. Being single for most of my early twenties meant that when it came to my love life all I wanted to do was fuck. Originally from a small Midlands town where the number of attractive available males was scant, moving to London where there was an abundance of hot men certainly gave me the chance to stretch my legs – or should that be open them?

Heading to City cocktail bars with the express intent to meet a guy for an evening of no-strings fun became a habit. Dressing up with the puppies on show (I'm a 30G by the way, so there was a lot to show) and grinding a guy on the dance floor before finally heading back to mine – affectionately known as 'The Slag Ranch' – was fun and (mostly) orgasmic.

Uni boys, barmen, Soho club owners, professional guitarists and drummers (not from the same band), a midwife: I had the pleasure of sharing a bed with them all. The bottom line was that I enjoyed sex and wasn't looking for a relationship: friends with benefits was as close as anyone got and it was this that saw me eventually slip into something more than just a guy's pants.

Sex with no strings is fine, but unfortunately I was one daisy that, no matter how often or hard you pulled my petals, it always ended in 'lust you not' as I grew bored. You've either had a few too many drinks so it's a half-cut fumble, or your regular hook-up gets into a routine of go down on me, go down on him, him on top, me on top, blow job to end (saves on mess). Yawn. I craved something new.

It doesn't help that I have an insatiable sex drive, so finding a guy that could keep up with me was tough. When I say one night, then that's what I want. A whole freaking night with lots of loud, wet, animalistic sex!

Then there was this one guy and I

just couldn't put him down. Coming back to mine after an afternoon of exchanging seductive glances and flirting, it wasn't long before we were ripping each other's clothes off. Buttons were broken, heads were hit on the low-sloping ceiling and foreplay was skipped. It wasn't elegant, but it got better...

Riding his cock like my life depended on it and gushing all over his length as he hit my G-Spot repeatedly, I saw him orgasm. Sensing this, I stopped. Usually this means game over, so I asked (politely) if that was it? "No, I orgasmed, but didn't cum. Keep going," he told me.

Woah there! He orgasmed, but managed to control not cumming and I could keep riding him like my own personal toy with fully charged batteries? My first multi-orgasmic man! I'd like to say I instantly fell in love with this man, but that would be exaggerating. Instead I decided to see a lot more of this chap, so we went from fucking once a week to whenever we could get our hands

on each other. As it turns out, he practised Kundalini. Put (very) simply, it's a method of breathing: imagine a coiled snake at the bottom of the spine and as you feel your orgasm nearing the snake unfurls along the length of the

spine. This means you engage with the sensations and energy that sex can offer, but with enough practice it gives you control over ejaculation as you move the energy through your body and away from your cock.

Admittedly it sounds mad, but he'd certainly tickled my taste-buds with Tantra and it finally felt like I'd met my match between the sheets. So, the stage was set as he became my only playmate and the strings between us began to become very tangled indeed. Three years down the line we're still discovering dirty, sexy new things to try, experiences I'd like to share each month, as I realise sex in a relationship shits all over one-night stands.

Celebrating a man who doesn't pop when he orgasms

BRITNEY

Britney's pile of ironing mounts up, just like the waiting list of men desperate to give her a steamy pressing. "I get on with blokes. I'm just a normal girl who loves swinging, dogging and giving tit-wanks to strangers. I also enjoy lezzing off with fellas' wives in front of them. I'm fun, bubbly and up for anything!" We have no idea why Brit's so popular!

I came with a shout and a splash. Andrew lapped up my nectar before standing up and turning me round. His trousers were round his ankles and his hard cock was winking invitingly at me.

I got on my knees and cupped his balls in my hand. I licked and nibbled at them before taking his cock in my mouth. I sucked him off but I didn't want him to cum before he'd filled my cunt.

The lab was empty so I phoned up Andrew and told him I was horny as hell. "Right, get your pussy nice and juicy, I'm coming straight over. I've got a hard-on already!" he said.

Quite often I will rub myself up under the table until I am desperate to have my snatch filled. Then I nip off to the toilets with my dildo and finish myself off properly.

Sometimes when I am working late after work I call my husband Andrew and he talks dirty to me over the phone while I frig myself off. Other times if he's not busy he comes over.

Last time I was working late I had loads of work piled up on my bench but I just couldn't focus on it. My clit was throbbing and I couldn't keep my hands off my pussy.

Andrew immediately pushed me up against the door from behind. He kissed and bit the back of my neck frantically as he wildly pulled my jacket, blouse and bra off.

I pushed myself into him and groaned as he went to work. He threw my clothes on the floor and stripped off my skirt to leave me naked. He bent me over a table and crouched behind me.

I spread my legs and he started to lick my swollen, throbbing pussy. He pushed his tongue inside me as deep as he could, tasting my juices and making me gasp.

We're used to those preening ponces on *The Only Way Is Essex* being pumped full of botox, silicone and garishly coloured drinks, but this 21-year-old Essex bird is an all-natural beaut with genuine 34G bazoomas who likes being pumped full of spunk – although her favourite tipple is Malibu and orange. REAL WIFE SEX

my knees splayed, as he drove. Every time we stopped at a red light, he'd sneak his hand in between my legs, fingering the rubber stopper, tapping on it, sending little shockwaves through my snatch.

The rubber plug sent shockwaves through my cunt

I could see his hard-on tenting the front of his trousers, and I reckoned he'd dive on me the second we got home. But when we got to the bedroom, he just pulled me up against him, kissing me, telling me I was a fucking legend for what I'd done that day. It turned out I'd given him even more

of a thrill than he'd anticipated. The dirty fucker had spent half the day locked in the gents' polishing his cock over the thought of me getting juiced up. When I'd been doing myself, he'd been in a cubicle too.

Now it was my turn to dish a bit out. I started to wank his cock, just slow and gentle at first, teasing it to hardness. No matter how sore or spent I felt from all his self-abuse, there's no way he'd resist me getting him hard for a fucking. I told him he could do

me up the arse if he got a stiffy.

That's what finally sold it to him. I felt the blood pulse through it, the whole length of it heating and hardening in my hand. For the second time that day I stood in front of him, bending over and touching my toes. The plug was still inside my pussy but I left it there – I slipped a finger in my arsehole and could tell that it was even tighter than usual.

Billy was heavy-breathing, and so was

Now he's bought me a sexy set of nipple clamps

As I felt him touch his cock up to my arsehole. It took one hell of a push to get it in me, and he was groaning out loud – he'd never felt me clenched so tight around his length, and his cock was stretched out straight against the hard length of the dildo in my other hole. We had the longest, slowest, most-delicious anal fuck I've ever experienced, this hot glow of pleasure spreading through my

body. Any part of me that Billy touched would shiver under his fingers.

Soon he was reaching round to my clit, just tapping his fingertips on it, like he'd tapped the plug. That was enough. I felt my climax start building

then surging out from my crotch. And he just kept me cumming. It got to him too – he hardly had to thrust to get the spunk draining out of his balls again.

Since that day, Billy's gone a little crazy buying me sexy gifts. The latest is a set of nipple clamps, solid silver with little weights to hang off them. Now I'm going to make the ultimate gesture – I'll go with him to watch his football team play and go naked – except for the clamps – underneath my replica shirt. He's hoping his boys score so I have to jump up and down, little silver weights tugging at my teats while he decides what he's going to do with me back home. As long as he lays off the wanking so he can give me a proper seeing-to! ☺

ROXIE

Every man needs a little space to call his own, where he can potter, read, smoke and have a good wank without the missus bothering him to put up that shelf, lend her some money or take her to the hospital for that midwife appointment. Randy Roxie's no different from us, except she utilises her private space in the cellar to webcam with dirty bastards like us who want to see her pussy. "My boyfriend doesn't know. He thinks I'm tidying down here!"

My husband Mark came home from work and told me his cousin Ian had phoned and that his wife had kicked him out.

He'd asked if he could stay at ours for a few days. I told Mark I'd always wondered what Ian's cock was like. Mark said if he stopped over I might get the chance to find out.

When Ian turned up I opened the door and Ian's eyes fell straight to my ample tits, my nipples standing out, pushing against the thin material of my top. Ian came in and I showed him to his room. On the way

upstairs I went in front of him wearing a very short skirt and no knickers so he got a very good look at my split peach.

He commented on how good I looked and I told him he might get a taste of it if Mark was up for it, knowing full well he would be.

Ian came down and sat opposite me while Mark got us drinks. I parted my legs,

a cock with a massive girth. I couldn't get my fingers round it! Ian grabbed my head and

forced his man-meat down my throat, making me gag. When he pulled out, he roughly pulled my top off, exposing my large sensitive hard nipples. He mauled my tits and had my fanny juicing up, the wetness running down my thigh.

I was desperate to have his cock so he slid three fingers into my little fanny and

I COULDN'T GET MY FINGERS ROUND IT

exposing my wet cunt, and flirted with Ian, saying I never got to see the size of his cock. Mark said that there was no time like the present. With that, I got down on my knees and unzipped Ian's pants, exposing

started to loosen me up. I was quivering as he made my clitoris twitch with his thumb and begged him to stick his fucking cock up my cunt.

He spread my labia with his bulbous head and started to

All nighter

One evening my big-boobed girlfriend Leigh and I met up with two of my mates, Cal and Kevin down the pub.

They were out on the pull, but I was dying to get home because I knew Leigh had shaved her cunt for me and I was desperate to get my chops around it.

I decided to invite my mates back to our house for some more drinks.

So us three blokes and Leigh piled into a cab. I noticed Leigh couldn't keep her eyes off Kevin's bulging crotch. I knew what the horny bitch was thinking.

Back at the house I left Leigh sitting between Cal and Kevin as I went to get the drinks. By the time I returned, the horny slut had already unleashed Kevin's big cock.

She was sucking it like a choc ice. Her lovely arse was facing Cal, who reached up her mini-skirt and tugged at her flimsy knickers.

In no time at all he had

stripped her naked. Then she turned to Cal and started sucking his cock. Andy wasted no time getting in behind her.

He parted her legs and pushed his cock inside her dripping wet cunt. She let out a scream of pleasure as his cock rammed in and out of her.

pussy and as she moaned in pleasure I felt even hornier. I couldn't hold back any longer and released my cream into her mouth.

She lapped up every drop. Then Andy, feeling a little left out, muscled in and put Pam in the doggy-style position. He squeezed his cock up her tight arsehole.

LEIGH, DONCASTER

I decided to get in on the act, telling Leigh to lie down on the floor. Cal swapped with Andy and shoved his cock up Leigh while I stuck my dick in her mouth.

She immediately began sucking and licking and then, with one hand, reached out and began wanking Kevin off furiously.

It wasn't long before Cal was firing his spunk up her hot

She was moaning like a good 'un and as Andy rode her arse Cal began sucking on her big tits. A few moments later Andy shot his load all over Leigh's arse.

Cal then shoved his fingers up her cunt and played with her tits until she was pouring pussy juice over his sweaty palm.

I knew she wanted more, and sure enough she soon came over to ask if they'd

fuck me like a little bitch while wanking his cock.

Ian was pounding my cunt like a mad man and I was frigging my clit with my fingers. My pussy started to spasm as my orgasm rushed through my body, making me squirt.

Mark told Ian to fuck his dirty little slut's fanny and Ian forced his hard cock deeper up me till he twitched. I felt him start to fire his load deep into my well-abused little

We all ended up in bed together and I was woken three more times that night to have their cocks forced up my sore and abused little fanny.

Ian stayed with us for a week and fucked and stretched my fanny so that now I can easily take four fingers of a mans hand, up to his knuckles. Mark has been complaining that Ian has fucked up his wife's tight little cunt up!

double fuck her.

Would they ever! She had one cock up her cunt and one up her arse and she was going like a fucking rocking horse. She was loving every minute of it.

I stood in front of her

wanking like mad and, when the boys had cum, I spunked all over her face.

I lost count of the number of times we bonked her that night till 7am. She still thanks me for the best fucking session ever.

Mark, Doncaster.

Lucky Bugger

At a club, on the pull, I ran into a gorgeous girl with bright blonde hair and a curvy pear-shape (just how I like them).

I could see her stockings peeping out from below her tiny skirt. I decided right then that I had to fuck her. I went up to the bar next to her and asked if I could buy her a drink.

Saying nothing, she

led me outside

and bundled me into a taxi.

She'd hardly shut the door and she had her hand on my cock. It was already rock hard and it sprang out when she undid my jeans. She

my cock clean.

Back at her place she wasted no time. She sat on the sofa with her legs spread in the air. She beckoned me over with one finger and said, "You're going to lick my

started to run her tongue up and down my shaft before clamping her mouth round my bell-end and sucking like mad.

She'd obviously done it before – it was incredible. It was so good that after a few seconds I fired jets of hot cum into her mouth. Moments later she rose and smacked her lips. She'd swallowed every drop of my cum and licked

cunt!" Forward tart, I thought, gratefully.

I eagerly began to lap at her soaking cunt, and she moaned loudly. She grasped the back of my head and buried my face in her cunt. I kept on licking and soon she bucked and screamed as she had the first of many massive orgasms.

I spent the rest of the night hammering

my cock into all of her lovely holes. She wanted to do everything, including taking photos. She was insatiable and had me fucking all night.

The next day I was totally knackered and very sore, but believe me it was worth it!

Paul, Somerset.
